Give the Gift of Safety!

"We have been very happy with the access tubs from Safety Bath as well as their excellent customer service. There is a superior product at a reasonable price that allows our residents the opportunity to maintain their independence while at the same time offering a safe bathing experience. Safety Bath has always treated us as a valuable customer and have gone the extra miles to ensure we are completely satisfied with their product. Luther Heights has enjoyed a long partnership with Safety Bath and will continue to do so for many years."
