

DURACAST ACRYLIC BATHTUB LINERS

ARUBA STRAIGHT SKIRT

DuraCast bathtub liners meet the Uniform Plumbing Code (UPC) set by the International Association of Plumbing and Mechanical Officers. DuraCast bathtub liners also meet or exceed ANSI Z124.8 U.S. Government bathtub manufacturing code and was tested by NAHB (National Association of Home Builders). DuraCast liners are made from a 1/4" thick sheet with a durable 80 mils Crosslinked Acrylic cap. Each tub is manufactured with a formed slip-resistant floor. Formed skirts available in 1" or 1 3/4" face profile. **Change -AW to appropriate color code when ordering color.*

Color Code: **AW**-Arctic White, **SC**-Sahara Crème, **CB**-Classic Bone
